

# A Life Well Lived

A Life Well Lived is like the perfect Summer day,  
The one that poets struggle to describe  
And like the Sun warms the ground for the grain  
Their shines on from this Life.

A Life Well Lived echoes on in our hearts  
In memories, caressing like a breeze  
A Life Well Lived knows the power of gentleness,  
Walks boldly, stands for justice & peace,

It might seem very ordinary, like a neighbor down the street  
Yet, extraordinary, one you'd want your son or daughter to see

A Life Well Lived is penned in kindness and truth  
Tells a story, knows the power of Love  
Attended most to the precious little things  
Cared always for Greater Good

A Life Well Lived laughed often, loved much,  
And used the pain of sorrow to grow.  
A Life Well Lived lives on to inspire  
The best and the highest in us all,

It was a life that spoke in Wisdom, most often without words...  
A spiritual being on a very human walk around this Earth

And at the end someone stands to say:  
We Thank Thee, Great Spirit and Mystery,  
Loving Creator, Perfect God of Peace  
We thank Thee For this Life Well Lived
