

# FIRST CHRISTMAS WALTZ

by Joyce Johnson Rouse

Do you remember our First Christmas?  
A little bit of tinsel and a skinny old tree  
There were two presents wrapped with love and silver ribbon  
One for you and one for me

## *CHORUS*

And we danced our First Christmas Waltz  
And chased away winter's chill  
Though the world may change, some things just stay the same  
Like the sweet tenderness of our first Christmas waltz

The world just gets busier and crazier near Christmas  
It's hard to find a special time, a moment of grace  
When we bring down the boxes filled with all our Christmas mem'ries  
When the last one hangs in place

## *REPEAT CHORUS*

We'll hang some greenery to decorate our hall  
But, let's keep it simple as our first Christmas of all
