

The Holy Experiment

Written for Philadelphia Yearly Meeting (Quaker), based on phrase of William Penn

We are a part of the Holy Experiment
Blossoming and rippling into time.
We are a dream of the living Cosmos
As the Universe unfold, in miracles untold
We can all behold a Peace of the Holy.

We are a part of the Holy
Blossoming and rippling into time.
We are a dream of the Cosmos
As the Universe unfold, in miracles untold
We can all behold a Peace of the Holy.
